

# WELDTITE

## 2020

Welcome to the 80th Anniversary Edition of Weldtite's catalogue where I have the pleasure of sharing our extensive range of products. Sales channels, frame materials and tech evolves year on year so Weldtite are proud to be one of those long established brands that cyclists across the world rely on.

To mark our 80th year, we have completely restyled the catalogue to give easier access, improved descriptions and product groupings.

# PRODUCT CATALOGUE

# 2020

I am also pleased to confirm the start of a significant new relationship with Ribble, with joint sponsorship of Ribble Weldtite Pro Cycling, who will be riding at leading UK and international events.

Elsewhere, we are investing in our production facilities to reduce our environmental footprint. Simply put, when we work on a product, we will ensure the outcome reduces environmental impact, just as we have already achieved with our biodegradable bike cleaner.

Enjoy perusing through our 2020 catalogue.

## RIBBLE PRO CYCLING BECOME RIBBLE WELDTITE PRO CYCLING IN 2020

Weldtite are delighted to confirm title sponsorship of Ribble Weldtite Pro Cycling in 2020. The team's 2019 season was full of excitement and success on the domestic scene and the world stage. Similarly to Weldtite, the team has grown very organically and are well positioned to mount a strong assault at every race they ride in 2020.

**Watch the team at their biggest races in 2020:** (subject to confirmation)

- Jan - Feb: Zwift Super League
- 26th April: Cicle Classic
- 30th April - 3rd May: Tour de Yorkshire
- 17th - 24th May: Tour of Japan
- 14th June: Rund um Koln
- 21st June: National Championships
- 6th - 13th Sept: Tour of Britain

**03005 - Grease tin (3kg)**  
PACK: Inner 1 Outer 4

## TF2 CARBON GRIPPER PASTE

Designed to protect and enhance the performance of carbon components. Applying TF2 Carbon Fibre Gripper Paste to stem bolts and seat posts will eliminate noise and prevent seizing, increasing the life of important and expensive parts.

**02003 - (50g)**  
PACK: Inner 10 Outer 120

**02004 - Jar (10g)**  
PACK: Inner 12 Outer 72

**02024 - Boxed (10g)**  
PACK: Inner 12 Outer 96

## TF2 CYCLE SUSPENSION FLUID

High performance, premium quality suspension oil designed to keep forks and shocks lubricated and protected on the gnarliest trails. Suspension fluid should be changed roughly every 1,000km to keep your components operating as new for longer.

Suitable for Rockshox, Fox, Marzocchi and more.

**03080 - 2.5wt (500ml)**  
PACK: Inner 20 Outer 20

**03081 - 5wt (500ml)**  
PACK: Inner 20 Outer 20

**03082 - 7.5wt (500ml)**  
PACK: Inner 20 Outer 20

**03083 - 10wt (500ml)**  
PACK: Inner 20 Outer 20

**03084 - 15wt (500ml)**  
PACK: Inner 20 Outer 20

**03085 - 20wt (500ml)**  
PACK: Inner 20 Outer 20

## TF2 SUSPENSION CARE SPRAY

An innovative fork, shock and dropper post spray. TF2 Suspension Care is designed to protect and lubricate shock joints, stanchions and adjustment screws for consistent suspension performance. It keeps seals supple and flexible while acting as a barrier against dirt and grime.

Suitable for Rockshox, Fox, Marzocchi and more.

**03089 - (150ml) Aerosol**  
PACK: Inner 12 Outer 12

## TF2 CYCLE OIL

A durable oil designed to penetrate the chain, cogs, bearings and other moving parts to reduce friction and increase performance. Suitable for a variety of applications including garden tools, hinges, mowers etc.

**03001 - (125ml)**  
PACK: Inner 10 Outer 100

Teflon™ is a registered trademark of The Chemours Company FC LLC, used under license by Weldtite Products Ltd.

## TF2 ALL-WEATHER LUBE

Enhanced with Teflon™ Surface Protector, TF2 All-Weather Lube is perfect for long lasting use when the ground is wet or rain is falling. The 'efficiency increasing' formula lubricates chain links to reduce friction and wear for optimum performance. Suitable for road, off-road and MTB.

**03047 - (100ml)**  
PACK: Inner 10 Outer 100

**03074 - (400ml)**   
PACK: Inner 6 Outer 6

**03048 - (1ltr)**

## TF2 DRY LUBE

Enhanced with Teflon™ Surface Protector, TF2 Dry Lube is perfect for long lasting use in dry conditions. The unique 'efficiency increasing' formula reduces friction and wear enabling the chain to perform optimally for longer. Suitable for road, off-road and MTB.

**03034 - 75ml**  
PACK: Inner 10 Outer 100

**03035 - 125ml**  
PACK: Inner 10 Outer 100

 **DRY**

 **LIGHT RAIN**

## TF2 WET LUBE

TF2 Wet Lube provides reliable performance in the wettest conditions. This ultra-durable bike lube coats the chain, protecting it from the elements to enable silky smooth gear changes. Due to its consistency, Wet Lube is recommended for riding on trails and off-road.

**03036 - (75ml)**  
PACK: Inner 10 Outer 100

**03037 - (125ml)**  
PACK: Inner 10 Outer 100

**03073 - (400ml)**  
PACK: Inner 6 Outer 6

## TF2 CERAMIC LUBE

TF2 Ceramic Lube provides a ceramic coating to the chain, increasing performance and durability. The innovative ceramic additive ensures leading drivetrain performance and silky smooth gear changes when the ground is wet or rain is falling. Suitable for road, off-road and MTB.

**03065 - (100ml)**  
PACK: Inner 10 Outer 100

## TF2 DRY WAX

Wax based lubes have become increasingly popular at all levels of the sport. TF2 Dry Wax is designed to lubricate chain links and leave a white wax coating over the outside of the chain, protecting it from dirt and dust. Dry Wax is best suited for use in dry and dusty conditions on the road, off-road and MTB.

**03056 - (100ml)**  
PACK: Inner 10 Outer 100

## TF2 ADVANCED CERAMIC CHAIN WAX

Ridden to victory on the World Tour and currently used by pro team Ribble-Weldtite. Advanced Ceramic Wax has been developed for elite competition when every watt counts. The wax features a ceramic additive, reducing friction and maximising performance. Use Advanced Ceramic Wax on dry race days to enhance your performance.

**03053 - (100ml)**  
PACK: Inner 6 Outer 6

AS USED BY  
**RIBBLE WELDTITE**  
PRO CYCLING

## TF2 LUBES 4-PACK

This neat little pack holds four 50ml bottles of our most popular lubes, ensuring gears are running smoothly all year round.

50ml TF2 Dry Lube  
50ml TF2 Wet Lube  
50ml TF2 All-Weather Lube  
50ml TF2 Dry Wax

**03061 - (4 x 50ml)**  
PACK: Inner 6  
Outer 6

IDEAL GIFT

## TF2 COMBINATION LUBES TRAY

Our combination counter display tray comes loaded with a selection of our most popular chain lubricants:

6x 100ml TF2 All-Weather Lube  
3x 75ml TF2 Dry Lube  
3x 75ml TF2 Wet Lube  
3x 100ml TF2 Dry Wax  
3x 100ml TF2 Ceramic Lube

**03071 - (18 Bottles)**  
PACK: Inner 1 Outer 1

## TF2 WORKSHOP PACK

For the complete workshop set-up, our Workshop Pack features the products most used in workshops across the world every day.

Includes: 400ml TF2 Ultimate Lubricant Spray / 400ml TF2 Wet Lube / 2x 400ml TF2 All-Weather Lubes / 125ml Bike Grease / 50g Carbon Gripper Paste / 400ml Citrus Degreaser Aerosol / 400ml Disc Brake Cleaner / 500ml Protect & Shine Spray and 1 litre Citrus Degreaser.

**03079 - Workshop Pack**  
PACK: Inner 1 Outer 1

Teflon™ is a registered trademark of The Chemours Company FC LLC, used under license by Weldtite Products Ltd.

## JET BLAST DEGREASER

NEW

One giant leap for bike cleaning. Jet Blast Degreaser is the most powerful and efficient way to clean the drivetrain. The max power jet spray makes short work of cleaning the moving parts. Jet Blast dries rapidly giving you a professional clean in seconds.

03087 - 500ml  
PACK: Inner 12 Outer 12

• Suitable for disc brakes

## BIKE CLEANER CONCENTRATE

Reduce the amount of plastic you use with Bike Cleaner Concentrate.

Available in 200ml, which will make 1L of the powerful yet biodegradable bike cleaner.

**03059 - (200ml)**  
PACK: Inner 10 Outer 10

## CARBON CLEAN & PROTECT SPRAY

The finishing touch to your carbon frame post bike wash. The spray is suitable for all carbon finishes including Matt and is engineered to provide a sleek finish that repels dirt and water. The spray will protect the frame from uv rays keeping your bike in peak condition all year long.

**03062 - (250ml)**  
PACK: Inner 10 Outer 10

## PROTECT & SHINE SPRAY

The finishing touch to your aluminium, steel or titanium frame after a good bike clean. This bike polish coats your frame and metal components providing a glossy, shiny finish. The thin coating will also protect your frame, repelling water and dirt the next time you ride.

**03042 - (500ml)**  
PACK: Inner 12 Outer 12

## CITRUS DEGREASER (AEROSOL)

An alternative to Jet Blast, the Citrus Degreaser (aerosol) strips dirt and grime from the drivetrain. The jet-spray head ensures accurate application making it very efficient and easy to use.

**03002 - (400ml)**  
PACK: Inner 12 Outer 12

**03011 - (150ml)**  
PACK: Inner 12 Outer 36

## CHAIN DEGREASER

Remove dirt and grime with the powerful water-based Citrus Chain Degreaser. Use with a cloth, brush or as a 'bath' to efficiently clean the drivetrain.

- Biodegradable

**03017 - (75ml)**  
PACK: Inner 18 Outer 180

**03023 - (250ml)**  
PACK: Inner 10 Outer 10

**03075 - (400ml)**  
PACK: Inner 6 Outer 6

## DISC BRAKE CLEANER SPRAY

Make cleaning disc brakes simple and safe with the rapid drying, non-corrosive and high performance disc brake cleaner.

**03029 - (250ml)**  
PACK: Inner 12 Outer 12

**03072 - (400ml)**  
PACK: Inner 12 Outer 12

## CLEANING WIPES

Small and efficient cleaning solutions for cleaning your bike on the go - no water required! Perfect for touring, taking on bike holidays or commuting.

**04022 - Brake Surface Wipes x6**  
PACK: Inner 12 Outer 96

**04030 - Chain Wipes x4**  
PACK: Inner 12 Outer 96

**04034 - Frame Wipes x5**  
PACK: Inner 10 Outer 100

## CHAIN KEEPER

An innovative solution for easy chain cleaning. The Chain Keeper is compatible with thru-axle and quick release wheel systems. It holds your chain away from the frame for easy access and enables smooth gear shifting, all while keeping your chain stay protected.

**06039**

PACK: Inner 1 Outer 10

## SOFTWASH BRUSH

The ultimate bike care brush with soft and durable nylon bristles. The soft wash brush makes light work of bike cleaning (elbow grease required!) removing mud, dirt and grime easily without causing harm to the frame. Recommended for cleaning bike frames, forks and tyres.

**06023**

PACK: Inner 10 Outer 10

## EXPANDING SPONGE & MICROFIBRE CLOTH

Your bike cleaning essentials! Clean you bike more effectively with the soft sponge and finish off any detailing with the microfibre cloth, returning your bike to it's showroom condition in no time.

**06040**

PACK: Inner 1 Outer 10

## CITRUS HAND CLEANER

Citrus Hand Cleaner is designed for after the bike clean, when the attention turns to the rider or the mechanic. Formulated with Hydrated Silica, the hand cleaner is tough on dirt and grime, removing what shouldn't be there while being kind to your skin, letting you carry on with your day dirt free.

**03020** - (500ml)

PACK: Inner 12 Outer 12

**03008** - Heavy Duty (5ltr)

PACK: Inner 1 Outer 4

## SPROCKET BRUSH

Delve deeper into your cassette, jockey wheels and chain to remove hard to reach dirt and grime, using one of four specially designed brushes.

**06012**

PACK: Inner 10 Outer 10

## CLEANING BRUSH SETS

**3 BRUSH SET:** Sprocket / Cone / Tapered

The premier pack, designed to effectively remove muck from those hard to reach places.

**2 BRUSH SET:** Sprocket / Cone

The essential cleaning pack for straight forward daily cleaning.

**06013** - 3 Brush Set

PACK: Inner 5 Outer 5

**06020** - 2 Brush Set

PACK: Inner 10 Outer 30

## ULTIMATE BIKE CARE KIT

All the ingredients for cleaning your bike, plus a 12 litre bucket containing:

- TF2 Ultimate Aerosol Spray with Teflon™ surface protector (400ml)

## PROUDLY MANUFACTURING PRODUCTS IN THE UK SINCE THE 1940s

From our UK factory on the banks of the River Humber Weldtite exclusively develops and manufactures lubricants, cleaners, inflation products, tools and bike parts and accessories.

Our heritage stems from the 1940s, making tyre and puncture repair materials for the British Military. Since then our range has expanded, incorporating the latest technologies to meet and exceed the demands of cyclist around the world.

### KEY TIMELINE:

- 1989** - Weldtite relocates to Barton-upon-Humber.
- 1994** - Weldtite factory doubles in size.
- 1995** - TF2 lube spray with Teflon™ created.
- 1997** - UK's sole puncture repair kit producer.
- 2006** - Weldtite win RBS International Trade Award.
- 2012** - Weldtite now available in over 40 countries.
- 2018** - Paul Davis appointed Managing Director.
- 2019** - Weldtite declared 'Export Champions'!
- 2019** - Jet Blast Degreaser launches at Weldtite.

## PURE BIKE DEGREASER

Degreasers often contain strong chemicals that can have a negative impact on the environment. That's not the case with Pure Bike Degreaser, which is formulated in the UK using sustainable ingredients only so it's 100% recyclable and that includes the label and the packaging! When used to clean chains treated with Pure lubes, this degreaser cleanses deep and is super effective at removing dirt and grime.

03403 - (250ml)

PACK: Inner 10 Outer 10

## PURE BIKE GREASE

A vegetable grease specially formulated to provide environmentally friendly and petroleum-free lubrication and water resistance for your bike's moving parts. Suitable for headsets, bottom brackets, hubs and pedals, Pure Bike Grease is super safe to use and good for the planet.

03404 - (100ml)

PACK: Inner 10 Outer 10

# NORTH LONDON THUNDERCATS

The North London ThunderCats (or North London ThunderCats Black Metal Bicycle Club - NLTCBMC for short!) are a fixed gear team from London, England. Cycling and cycling culture is intertwined into the team's DNA. They host the UK's premier fixed gear criterium, ThunderCrit which see's the world's best compete elbow to elbow in a unique and exciting race.

**LINA B**  
THUNDERCATS  
CYCLING TEAM

"The cleanest my bike has ever been and great for the planet! Amazing!"

## PURE DRY LUBE

An innovative and environmentally friendly chain lube created to improve the performance of your drivetrain. Optimised for use in dry weather conditions, the durable grey lube penetrates the chain links to reduce friction and prolong the chain's life. Made using 100% sustainable ingredients and 100% recyclable packaging. Uncompromised performance with a positive impact on the environment.

**03407 - (100ml)**  
PACK: Inner 10 Outer 10

## PURE WET LUBE

Optimised for use in wet weather conditions, the thicker consistency of the chain oil ensures water can not penetrate the chain links, increasing chain performance. Made using 100% sustainable ingredients and 100% recyclable packaging, Pure Wet Lube is the perfect solution for riding in poor conditions without negatively impacting the environment.

**03406 - (100ml)**  
PACK: Inner 10 Outer 10

## PURE BIKE OIL

The environmentally friendly chain lube of choice for commuters, families and leisure riders. After using Pure Bike Degreaser, apply the durable Pure Bike Oil to the chain to protect it from the elements and prolong the life of all moving parts. Pure Bike Oil is made entirely from sustainable ingredients, right down to using packaging that can be entirely recycled.

**03405 - (150ml)**  
PACK: Inner 10 Outer 10

## COMPLETE TUBELESS CONVERSION SYSTEM

The best solution for tubeless conversion. The Complete System takes the hassle out of switching to tubeless, providing all the tools and equipment needed to set up a tubeless tyre quickly and easily (pump not included). Packs are specific to road and mtb rim widths.

Includes: 240ml Tubeless Sealant, MTB/Road specific rim tape, tyre levers, mounting gel and 2 x 55mm presta valves.

**04062 - Road (700c)**  
PACK: Inner 1 Outer 8

**04063 - MTB (26/27.5/29")**  
PACK: Inner 1 Outer 8

JETVALVE CO2 INFLATION COMPATIBLE

TESTED FOR INDUSTRY LEADING PERFORMANCE

TESTED BY **RIBBLE WELDTITE** PRO CYCLING

## TUBELESS TYRE SEALANT

Tested for industry leading performance, Weldtite Tubeless Sealant can be depended on for reliable self-sealing time and time again. Get all the benefits of running tubeless (see page 25) with this environmentally friendly formula. Maintenance and topping up is incredibly easy too as the sealant does not 'clog' up and can be injected into valve stems once the core is removed (integrated valve core removal tool as part of 240ml bottle).

**03063 - (240ml)**  
PACK: Inner 6 Outer 60

**03093 - (1ltr)**  
PACK: Inner 1 Outer 12

**03094 - (5ltr)**  
PACK: Inner 1 Outer 4

- Available in 1L for cyclists with more than one bike or in 5L for busy workshops looking for quick and straightforward tubeless installation. Also suitable for inner tubes.

# COMPLETE TUBELESS CONVERSION SYSTEM

## *a step-by-step guide to going tubeless*

### BENEFITS OF WELDTITE TUBELESS SEALANT

Tested for industry leading performance	Water based formula using synthetic latex	Long lasting (up to 9 months - UK conditions)
Anti-corrosive ingredients so wheel and tyre friendly	Suitable for use up to 130 PSI	CO2 compatible (the sealant will not freeze using Weldtite CO2)

After ensuring the rim is clean, fit Rim Tape or Easi-Fit Rim Bands to the rim bed of the wheel. (Skip to step 4 if using Easi-Fit Rim)

### STEP ONE

If using Rim Tape ensure a 10cm overlap of tape.

### STEP TWO

Use a Phillips Screwdriver (the diameter of the valve hole) to create space for your valve in the Rim Tape.

### STEP THREE

Insert Valve.

### STEP FOUR

Ensure airtight seal using the valve nut.

### STEP FIVE

Use Mounting Gel on the bead of your tyre to assist with tyre installation. Mount tyre onto wheel.

### STEP SIX

Remove valve core using the integrated valve core removal tool for Schrader or Presta on the 240ml Tubeless Tyre Seal bottle.

### STEP SEVEN

Fill your tyre with the recommended quantity of Weldtite Tubeless Tyre Sealant. **40ml:** 700c x 18-23 | **60ml:** 26"/700c 28-35 | **80ml:** 27.5"/650B | **120ml:** 29"/DH

### STEP EIGHT

Use a tubeless specific pump to fill your tyre with air. Ensure the tyre seats. Tip - listen for a 'popping' noise as your tyre seats.

### STEP NINE

Rotate your wheel so the sealant can move around the tyre, ready to do its job in the event of a puncture.

### STEP TEN

## TUBELESS TYRE SEALANT

DIRTY REIVER 2020  
RECOMMENDED

Tested for industry leading performance, Weldtite Tubeless Sealant can be depended on for reliable self-sealing time and time again. Get all the benefits of running tubeless (see page 25) with this environmentally friendly formula. Maintenance and topping up is incredibly easy too as the sealant does not 'clog' up and can be injected into valve stems once the core is removed (integrated valve core removal tool as part of 240ml bottle).

Available in 1L for cyclists with more than one bike or in 5L for busy workshops looking for quick and straightforward tubeless installation. Also suitable for inner tubes.

PACK: Inner 1 Outer 12

**03094** - (5ltr)  
PACK: Inner 1 Outer 4

## COMPLETE TUBELESS CONVERSION SYSTEM

DIRTY REIVER 2020  
RECOMMENDED

The best solution for tubeless conversion. The Complete System takes the hassle out of switching to tubeless, providing all the tools and equipment needed to set up a tubeless tyre quickly and easily (pump not included). Packs are specific to road and mtb rim widths.

Includes 240ml Tubeless Sealant, MTB/Road specific rim tape, tyre levers, mounting gel and 2 x 55mm presta valves.

**04062** - Road (700c)  
PACK: Inner 1 Outer 1

**04063** - MTB (26/27.5/29")  
PACK: Inner 1 Outer 1

## TUBELESS VALVE KIT

The only valves you need for your tubeless set up. These stealthy black valves are specially designed to improve the tubeless experience. When you need to top up your sealant just remove the valve core and inject fresh Weldtite sealant - no need to unseat the tyre! Recommended for use with tubeless compatible wheels and tyres.

**05050** - 2x 55mm Presta  
PACK: Inner 10 Outer 10

**05051** - 2x 55mm Presta  
PACK: Inner 10 Outer 10

## TUBELESS TAPE

An important but often overlooked piece of kit, the tensile strength of our tubeless tape has been optimised for use with tubeless systems making the conversion process straightforward and dependable. Available in 19mm (road) and 24mm (mtb) widths, both 10m long.

**04070** - Road  
PACK: Inner 10 Outer 10

**04071** - MTB  
PACK: Inner 10 Outer 10

## INNER TUBE SEALANT

The rider's choice of inner tube sealant. Designed to prevent time off the bike by sealing punctures as they happen, the fibres in the sealant will plug the hole immediately and permanently with minimal loss of pressure. Available in 1L for families and riders with many bikes. Also available in 5L for busy workshops wanting reliable and dependable inner tube sealant.

**03014** - (250ml)  
PACK: Inner 6 Outer 6

**03088** - (1ltr)  
PACK: Inner 1 Outer 12

**03013** - (5ltr)  
PACK: Inner 1 Outer 4

## TYRE FIT MOUNTING GEL

Make fitting tyres a breeze. The specially formulated mounting gel fluid lubricates the bead of the tyre making it easy to slide the tyre onto the rim. Recommended for all tubeless installations, the gel evaporates quickly leaving no trace of it's use.

**03077** - (100ml)  
PACK: Inner 15 Outer 15

### EASI-FIT TUBELESS CONVERSION SYSTEM

The Weldtite Tubeless conversion systems include all you need to install tubeless tyres (pump not included). Simply select your wheel size, fit your preferred rim lining (tape or band), insert the valve and inject the sealant. Includes 240ml sealant with integrated valve core removal tool.

Tape or rim bands? Our rim bands are an innovative tape free option designed to speed up the installation process. Simply stretch the band over the wheel and 'snap' into place.

Includes: 240ml tubeless sealant, 2 x 55mm presta valves and tape or rim bands.

04065 - (700c)

04066 - (26")

04067 - (27.5")

INDUSTRY LEADING PATCHES (SEE BELOW)

MADE IN THE UK

## RED DEVIL SELF SEAL PATCHES: BEST IN TEST

Looking for the most efficient, most durable and easiest to use self seal patches? Look no further. Our testing has shown that the Weldtite Red Devils Self Seal patches' triple layer adhesive structure forms the most super secure bond to the tyre. It's so good it outlasts the cumulative time of more than 10 competitors. How did we test this? Each patch was applied to an inner tube and a 1kg weight was attached to the patch. We then timed how long it took for each patch to lose its adhesive bond to the tube and fall off. **Here are the results:**

## SELF SEALING INNER TUBES

High quality inner tubes filled with our inner tube sealant in the correct dosage. In the event of a puncture, the solution is forced to the hole by centrifugal force, while the fibres plug the hole immediately and permanently with minimal loss of pressure.

- Prevents flat tyres
- Seals punctures instantly up to 3mm diameter
- Works time after time
- Water-based with anti-corrosion properties and is completely harmless
- Inner tube and tyre will not stick together
- Will not dry out regardless of outside temperatures
- Every inner tube is individually tested before leaving the factory

## SCHRADER INNER TUBES

**04012** - 20" x 1.75 - 2.125

**04013** - 24" x 1.75 - 2.125

**04014** - 26" x 1.50 - 2.10

**04018** - 12.5" x 1.75 - 2.25

**04019** - 700 x 28c - 35c

**04028** - 29" x 1.90 - 2.35

PACK: Inner 1 Outer 50

## CYCLE REPAIR TYRE SEAL

Designed to be used after a puncture to get you back home, the pressurised latex sealant will repair two road tyres (700x25c) or one mountain bike tyre. This is a temporary repair and the tyre/tube should be replaced or properly repaired as soon as possible.

**03010** - (100ml)

PACK: Inner 10 Outer 10

## PUNCTURE PROTECTION BANDS

Stop punctures with Weldtite puncture protection bands. Designed to sit between the tyre and inner tube, the strong, flexible bands prevent sharp objects from reaching the inner tube, significantly reducing the chance of punctures. Note: side walls not protected.

- Easily applied to the inside of your bikes' tyres
- Strong flexible EVA construction
- Co-extruded for additional protection
- Non-brittle and long lasting
- Wide temperature application
- Blue tape fits tyres up to 700c
- Red tape fits tyres up to 26"
- Green tape fits tyres up to 29"

## TRAIL DAYS MOUNTAIN BIKE FESTIVAL

Trail Days is the trail party of the year. Hosted by Specialized and supported by Weldtite and SRAM, Trail Days takes place at Glentress in the Scottish Borders. The event focuses on community rather than competition including trail digs and guided rides, supported by Weldtite.

With over 1,000 riders, a key message for the event was sustainability and reducing spread of tree diseases which can be transferred via bike tyre so Weldtite provided a bike wash station, crucial to the success of this initiative.

TUBELESS  
SEALANT  
COMPATIBLE**

### KEY FEATURES

### INFLATION GUIDE

Jetvalve CO<sub>2</sub> cylinders come in two sizes: 16g and 25g. Use this guide to select the correct size cylinders for your bike tyres.

16g CO <sub>2</sub>	TYRE SIZE	NO. TYRES	PSI
ROAD	700c x 23	1	130
TOURING	700c x 28	1	88
MTB	26" x 1.95	1	40
MTB	27.5" x 2.25	1	22
MTB	29" x 2.1	1	30
BMX	20" x 2	1	54

25g CO <sub>2</sub>	TYRE SIZE	NO. TYRES	PSI
ROAD	700c x 23	2	85
TOURING	700c x 28	2	58
MTB	26" x 1.95	2	26
MTB	27.5" x 2.25	2	16
MTB	29" x 2.1	2	22
BMX	20" x 2	2	40

## JETVALVE CO2 CYLINDERS

Threaded 16g and 25g cylinders designed to be compatible with all Jet Valve products. Take 25g for two tyres or 16g for one tyre. See inflation guide opposite for more information.

## TOOLS

---

Nothing beats the feeling of riding a perfectly tuned bike. This is why professional mechanics across the world rely on Cyclo Tools. Whether it's switching pedals, changing cassettes, servicing hubs or fitting bottom brackets, Cyclo Tools has you covered.

Cyclo quality assurance and manufacturing excellence inspires confidence with a lifetime guarantee on all Cyclo Tools. Cyclo is the UK tool brand that you can depend on for years to come.

---

# CYCLO TORQUE WRENCHES

The Cyclo Torque Wrench is designed to easily provide the correct amount of tension when tightening and fitting components. The micrometric adjustment ensures precise torque values to be set allowing you to ride safely and prolong the life of your components by correctly applying the recommended torque to your bike's bolts.

**06325** - Torque Wrench 3/8" drive, 2-24Nm  
PACK: Inner 1 Outer 1

**07774** - Hex Socket Set 4, 5, 6 & 8mm [3/8" to fit 06325]  
PACK: Inner 1 Outer 1

**06355** - Torque Wrench 1/4" drive, 2-24Nm with tools  
PACK: Inner 1 Outer 1

• Includes 3, 4, 5, 6, 7, 8 and 20mm hex heads and T15, T20 and T25 torx heads plus an extension bar for those hidden and hard to reach bolts.

# CYCLO MODULAR WORK STAND

Outstanding stability meets precision engineering.

The long, foldable feet ensure high torque applications such as removing pedals can be performed while the rapid single hand closure and quick release action makes for convenient and secure clamping. The jaw is cleverly designed to protect your bike eliminating the risk of damaging the frame or seatpost and the 360° rotating head makes it easy to reach all parts of the bike. Suitable for frames up to 25kg.

## CLAMP HEADS

**07740 - Clamp Head**  
PACK: Inner 1 Outer 1

**07749 - Replacement Rubber Jaw Grips**  
PACK: Inner 1 Outer 1

## PORTABLE STAND

**07741 - Inc. Clamp Head**  
PACK: Inner 1 Outer 1

**07742 - Portable Work Stand**  
PACK: Inner 1 Outer 1

## MOUNTS

**07743 - Floor Mount**  
PACK: Inner 1 Outer 1

**07744 - Wall Mount**  
PACK: Inner 1 Outer 1

**07745 - Bench Mount**  
PACK: Inner 1 Outer 1

## ACCESSORIES/SPARES

**07746 - Tool Tray**  
PACK: Inner 1 Outer 10

**Bike Bits**  
FIND OUT MORE ON PAGE 52

## Bike Bits DISPENSER BOARD

The solution to trawling the workshop for that small spare...each product is individually packaged enabling the retailer to quickly select and charge for the product required. Especially useful in busy workshops that are regularly servicing all kinds of bikes.

**00005** - Dispenser Board  
PACK: Inner 1 Outer 1

**00015** - Stock for 00005  
PACK: Inner 1 Outer 1

## CYCLO TOOLS SHADOW BOARD

The perfect solution to keeping all your tools tidy and organised.

- Flexible vinyl poster 100 x 167cm - requires fixing to a wooden panel (not supplied) or solid wall surface so that fixings can be made secure
- Supplied with clips, hooks and fasteners necessary hang all tools
- Available with and without tools

**00006** - Shadow Board  
PACK: Inner 1 Outer 1

**00306** - Shadow Board Tool Set (81 Cyclo Tools)  
PACK: Inner 1 Outer 1

Tools: Inner Wire Plier | Workshop Cable Cutter | Crank Extractor | Spoke Key (3.23, 3.3, 3.45mm) | Spoke Key (3.7,3.96,4.4mm) | 15mm Pedal/36mm BB Spanner | 32mm BB Adj. Cone Spanner | BB Cup 24mm Lockring Spanner | 31/33mm Oversize Headset Spanner | 34/35mm Oversize Headset Spanner | 32/36mm Oversize Headset Spanner | 30/32mm Oversize Headset Spanner | Pedal Spanner 15mm | 13, 14, 15, 16, 17, 18, 19mm Single Head Cone Spanners | Isis BB Remover | Shimano Freewheel Remover | Campag Freewheel and BB Remover | BMX 4 Peg Freewheel Remover | BB Remover | Shimano Hollowtech II BB Tool | Chain Rivet Extractor | Slip Jopint Pliers | Circlip Pliers | Long Nose Pliers | Linesmans Pliers | Phillips Screwdrivers (0x75, 1x100, 2x125) | Flat Screwdrivers (3x75, 1x100, 2x125) | 6,7,8,9,10,11,12,13,14,15,16,17,18, 19,20,21,22,23,24, 25, 26mm Open/Ring Spanner | Round File | Half Round File | Flat File | Spoke Ruler | Chain Wear Indicator | Cassette Lockring Tool Shimano | Shimano Lockring Remover | Sprocket Remover 5-11 | Chain Link Pliers | 4mm T Allen key | 5mm T Allen key | 6mm T Allen key | 8mm T Allen key | Y Torx Wrench (T10,T15,T20) | Y Torx Wrench (T25,T30,T40) | Y Wrench Allen keys (2,2.5,3mm) | Mini Y Wrenches (8,9,10,13,14,15mm) | Gear Hanger Alignment Tool | Torque Wrench (2-24Nm) with Sockets

## REMOVERS

**A - 06393** - Freewheel remover (Shimano Fit - UG)

PACK: Inner 1 Outer 20

**B - 06394** - Freewheel & BB remover - (Campag Fit)

PACK: Inner 1 Outer 20

**C - 06395** - Cassette lockring remover - (Shimano Fit - HG)

PACK: Inner 1 Outer 20

**D - 06396** - Bottom bracket cartridge tool (Shimano Fit)

PACK: Inner 1 Outer 20

**E - 06397** - BMX 4 peg freewheel remover

PACK: Inner 1 Outer 20

**F - 06398** - Bottom bracket remover (Campag/SKF/FAG Fit)

PACK: Inner 1 Outer 20

**G - 06387** - Hollowtech II / Ultra Torque BB removal head

PACK: Inner 1 Outer 20

**H - 06338** - Campag cassette lockring & BB cartridge remover

PACK: Inner 1 Outer 10

**I - 06389** - Truvativ ISIS Shimano 9 speed remover

PACK: Inner 1 Outer 20

## SRAM DUB BB REMOVAL TOOL

Compatible with SRAM DUB, Race Face Cinch, Rotor BSA30 and more, the 12 notch 46mm OD cup is designed for the removal of 12-notch external bearing bottom brackets. Features unique socket and wrench drive for maximum torque.

\* Technical drawing shown

**06356**

PACK: Inner 1 Outer 10

## BOSCH SPROCKET REMOVAL TOOL

Compatible with Bosch Active / Performance Spider, this sprocket remover is suitable for all Bosch systems from 2014. Ideal for removing the spider and sprocket or for accessing the motor for regular maintenance.

\* Technical drawing shown

**06358**

PACK: Inner 1 Outer 10

## CHAIN WHIP / SPROCKET REMOVERS

Workshop quality chain whips designed to give leverage on the cassette without slipping. The long handle which includes a comfortable moulded handle and is heat treated to prevent bending, allows for extra force to be applied, helping to loosen and remove stubborn or seized components.

**06311** - (5-11 speed)

**06383** - (5/6/7/8 speed)

**06385** - (9/10 speed)

PACK: Inner 1 Outer 10

## UNIVERSAL BLEED KIT

Comprehensive kit for effective bleeding of hydraulic disc brakes.

- Compatible with SRAM, Shimano, Hope, Avid, Formula, Tektro, Magura, Hayes MPH and Clarks
- Includes piston spacer to prevent over-extension of brake pad

**06327**

PACK: Inner 1 Outer 10

## SPOKE THREAD ROLLING MACHINE

Precision engineered, heavy duty zinc cast spoke thread rolling machine with the facility for bench mounting or held in a vice. Suitable for 12g, 13g and 14g spoke thread rolling heads.

The spoke thread rolling heads and machine repair and rethread spokes with ease, the hardened steel rollers forge a new thread so it smoothly fits on the spoke nipple. A popular tool, perfect for all bike workshops.

**07836**

PACK: Inner 1 Outer 1

**07838** - Spoke Thread Rolling Head 12g 2.6mm

PACK: Inner 1 Outer 1

**07839** - Spoke Thread Rolling Head 13g 2.3mm

PACK: Inner 1 Outer 1

**07840** - Spoke Thread Rolling Head 14g 2.0mm

PACK: Inner 1 Outer 1

## HYDRAULIC BRAKE FLUID

Mineral and Dot brake fluid - it's essential to use the correct fluid - available in 125ml. The wide neck bottle means the syringe fits directly into the bottle improving accuracy of application and eliminating waste.

**03039** - Mineral Oil Brake Fluid (125ml)

PACK: Inner 10 Outer 10

**03040** - Dot 5.1 Brake Fluid (125ml)

PACK: Inner 10 Outer 10

## WORKSHOP CHAIN RIVET EXTRACTOR

Suitable for 5, 6, 7, 8, 9, & 10 speed chains, also 1/8 single speed chains.

- Larger diameter thread for accurate pin location
- Locates by three bearing bushes rather than by one
- Investment cast body for extra strength

**07718**

PACK: Inner 1 Outer 1

**07719** - (Rep ext screw)

PACK: Inner 1 Outer 1

## CABLE CUTTERS

Heavy duty cable cutters with cushion grip handles for comfort and force application.

**06330**  
PACK: Inner 1 Outer 1

## CHAIN LINK PLIERS

Chain Link Pliers make assembling or removing master chain links easy. The limited travel jaws and sprung are designed work in conjunction with the cushioned handles which provide stability, for maximum performance.

**06307**  
PACK: Inner 1 Outer 1

## SPOKE KEYS

Triple head multi purpose spoke adjusters which feel nice in the hand and are quick and easy to use. Made of steel for lifelong durability.

**06343** - (3.23 / 2.20 / 2.45)  
PACK: Inner 1 Outer 10

**06345** - (3.7 / 3.96 / 4.4)  
PACK: Inner 1 Outer 10

## CHAIN RING & ROTOR STRAIGHTENER

Precisely made to gently adjust bent or damaged chain rings and rotors. Features a cushioned handle for comfort and ease of use.

**07909**  
PACK: Inner 1 Outer 1

## CHAIN RING BOLT TOOL

Ergonomic, easy to use tool designed to remove crank bolts and crank arms. Features cushioned handle for additional comfort.

**07723**  
PACK: Inner 1 Outer 1

## SINGLE HEAD CONE SPANNER

Individual workshop single headed cone spanners available in eight sizes (13 to 22mm). Made from 2.5mm steel, with cushioned handles for comfort in use.

**06373** - (13mm)

**06377** - (17mm)

**06374** - (14mm)

**06378** - (18mm)

**06375** - (15mm)

**06379** - (19mm)

**06376** - (16mm)

**06384** - (22mm)

PACK: Inner 1 Outer 10

## SPOKE RULER

A timeless classic. The Cyclo Spoke Ruler is a must have for any workshop.

- Stainless steel, length 340mm.
- Includes measuring scale 0 - 340mm and imperial equivalent
- Measures 1.6mm to 4.0mm spokes and ball bearing diameters
- Measures spoke nipple size and has a hanging slot
- Presented in a clear plastic wallet

**07900**  
PACK: Inner 1 Outer 1

## OVERSIZE HEADSET SPANNER

Heavy duty, precision engineered spanners made of hardened and tempered steel for maximum strength and durability. Suitable for a range of headsets. Bright chrome plated.

**06364** - (36 / 40mm)  
PACK: Inner 1 Outer 5

**06365** - (31 / 33mm)  
PACK: Inner 1 Outer 5

**06366** - (34 / 35mm)  
PACK: Inner 1 Outer 5

**06367** - (15mm pedal / 36mm)  
PACK: Inner 1 Outer 5

**06368** - (32 / 36mm)  
PACK: Inner 1 Outer 5

**06369** - (30 / 32mm)  
PACK: Inner 1 Outer 5

## BOTTOM BRACKET ADJUSTABLE CUP SPANNER

Heavy duty, precision engineered spanner made of hardened and tempered steel for maximum strength and durability. 32mm head and bright chrome plated.

**06361**  
PACK: Inner 1 Outer 5

## BOTTOM BRACKET FIXED CUP SPANNER

CNC laser cut for absolute accuracy and made of hardened and tempered steel for maximum strength and durability, the 15mm pedal and 36mm BB spanner is designed to loosen the tightest of pedals and BB's with ease. Bright chrome plated.

**06360**  
PACK: Inner 1 Outer 5

## TALL ALLEN KEYS

Workshop quality, durable Allen keys designed to loosen the tightest of bolts with ease. Available in the most common bike bolt sizes.

**07775** - (4mm)

**07776** - (5mm)

**07777** - (6mm)

**07778** - (8mm)  
PACK: Inner 1 Outer 1

## OPEN/RING SPANNER

A full range of forged chrome vanadium open/ring spanners.

**07779** - (6mm)

**07784** - (11mm)

**07780** - (7mm)

**07785** - (12mm)

**07781** - (8mm)

**07786** - (13mm)

**07782** - (9mm)

**07787** - (14mm)

**07783** - (10mm)

**07788** - (15mm)

## FILES

A durable set of tools ideal for rounding off chopped down handlebars, seat posts etc.

**07899** - A - Flat File  
PACK: Inner 1 Outer 1

**07898** - B - Half round File  
PACK: Inner 1 Outer 1

**07897** - C - Round File  
PACK: Inner 1 Outer 1

## HAMMERS

Sometimes you've just got to apply that bit more power...

**07765** - A - Double Ended Mallet  
PACK: Inner 1 Outer 1

**07766** - B - Locksmith Hammer  
PACK: Inner 1 Outer 1

## SCREWDRIVERS

Cyclo screwdrivers are ideal for derailleur and brake maintenance, installation and removal.

**07767** - Philips (0 x 75)

**07768** - Philips (1 x 100)

**07769** - Philips (2 x 125)

**07770** - Flat (3.2 x 75)

**07771** - Flat (4 x 100)

**07772** - Flat (5 x 150)

**07773** - Flat (6 x 250)  
PACK: Inner 1 Outer 1

**14mm COTTERLESS  
CRANK EXTRACTOR**

Expertly forged and CNC laser cut, the crank extractor is designed to remove cranks from standard and Shimano splined oversize BB's. Includes removable caps for splined cranks and is available on it's own or with a cushioned handle for ease of use.

**WIRE  
BRUSH**

Cleans up tarnished or rusted bike components.

**06339**  
PACK: Inner 1 Outer 10

**06344 - With handle**  
PACK: Inner 1 Outer 10

**SHIMANO HOLLOWTECH II  
BOTTOM BRACKET TOOL**

Expertly designed to fit Shimano's Hollowtech range of bottom brackets as well as Campagnolo Ultra-Torque and many other BB's. This durable tool also includes magnetic cap remover tool.

**HOLLOWTECH II  
CRANK MOUNTING TOOL**

Durable nylon mounting tool designed for Shimano's Hollowtech range.

**07896**  
PACK: Inner 1 Outer 1

**VERNIER  
CALIPER**

Expertly made and precision machined from stainless steel. The Vernier calipers are fine ground and polished to an accuracy of +/- 0.02mm - that's very accurate! Includes strong plastic storage case.

**06399**  
PACK: Inner 1 Outer 50

**COMPLETE REMOVER (6),  
RETAINER & SPANNER SET**

Includes retainer tool, Remover Spanner and 6 locking removers including BMX, Shimano HG, UG, BB and Campagnolo.

**07709**  
PACK: Inner 1 Outer 1

**REMOVER  
SPANNER (1"/32mm)**

CNC laser cut for absolute accuracy and made of hardened and tempered steel for maximum strength and durability. The remover spanner (1" / 32mm) is part of the Complete Remover set and a must have for all workshops.

**07912**  
PACK: Inner 1 Outer 1

**BB30 BEARING  
REMOVAL TOOL**

Professional workshop quality removal tool for BB30 bearings. The bearing puller is easy to use and designed to improve the cleaning and reinstall it on process without damaging the BB.

**06390**  
PACK: Inner 1 Outer 10

**06392**  
PACK: Inner 1 Outer 20

**07727**  
PACK: Inner 1 Outer 1

## BOTTOM BRACKET REMOVAL TOOL

Tool body and M14 adaptor, packed in a heavy duty black case. Innovative and durable design.

- Threads are suitable for bottom brackets M8, M12, M15 and M14 adaptor
- To engage tool press in the end and screw it in, this holds the tool in place
- Different heads in common use:
  - Hollowtech II/Campag Ultratorque combined tool 06387
  - Shimano Octalink/Shimano square taper combined tool 06396
  - Campag SKF /FAG combined tool 06398
  - Campag square taper 06394
  - Isis/Shimano Cartridge 9 speed (Lock ring) 06389

**07700**

PACK: Inner 1 Outer 1

## UNIVERSAL BOTTOM BRACKET REMOVAL TOOL REMOVERS, ADAPTORS & GUIDE SHAFTS

**06394** - Freewheel & BB Remover - Campag Fit

**06389** - Truvativ Isis Shimano 9 Speed Remover

**06396** - BB Cartridge Tool Shimano Fit

**06398** - BB Remover - Campag, SKF, FAG Fit

**06387** - HollowTech II/Ultra Torque BB Removal Head

PACK: Inner 1 Outer 20

**07702** - BB Removal Tool (M14) Adaptor

**07704** - BB Removal Tool (1"-32mm) Adaptor

**07730** - BB Removal Tool Stem Assembly

**07703** - BB Removal Tool HollowTech II Guide

**07725** - Ultra Torque Guide Shaft

PACK: Inner 1 Outer 1

## HEADSET & BOTTOM BRACKET PRESS TOOL

Contains two press plates, head with handles, quick release nut, thrust bearing, ACME shaft and including new BB30 press plate adaptor. Covers most sizes.

- Profile for different sized cups to locate accurately during pressing

**07705**

PACK: Inner 1 Outer 1

**07724** - Bevel Edge Adaptor

PACK: Inner 1 Outer 1

## HEADSET & BOTTOM BRACKET PRESS TOOL PRESS PLATES

Two replacement press plates for the Headset & Bottom Bracket Press Tool (07705).

**07706**

PACK: Inner 1 Outer 1

## UNIVERSAL BOTTOM BRACKET REMOVAL TOOL SET

BB Removal Tool set including all BB heads and adaptor shafts. The must have set for the mobile or workshop mechanic.

**07701**

PACK: Inner 1 Outer 1

## QUICK RELEASE SERVICE PACK

For use with 07705, 07800 & 07814.

**07810**

PACK: Inner 1 Outer 1

## BOTTOM BRACKET FACING TOOL

Set includes: Handles, ACME shaft, spring, thrust bearing and quick release nut plus two sets of guides (English 1 x left hand and 1 x right hand, and Italian 2 x right hand).

- Guides are also available separately - see 07801 and 07802

**07800**

PACK: Inner 1 Outer 1

## BOTTOM BRACKET FACING TOOL GUIDES & FACERS

**07801** - (English 1 x LH / 1 x RH)  
PACK: Inner 1 Outer 1

**07802** - (Italian 2 x RH)  
PACK: Inner 1 Outer 1

**07815** - Head Tube Facers (51mm)  
PACK: Inner 1 Outer 1

**07816** - Head Tube Facers (1.5")  
PACK: Inner 1 Outer 1

## HEAD TUBE REAMING & FACE TOOL REAMERS & FACERS

**07817** - Reamer (1")

**07818** - Reamer (1 1/8")

**07819** - Reamer (1.5")

**07820** - Reamer (Campag Upper)

**07821** - Reamer (Campag Lower)

**07822** - Reamer (Cane Creek Upper)

**07823** - Reamer (Cane Creek Lower)

**07815** - Facers (51mm)

**07816** - Facers (1.5")

**07824** - Reaming & Facing Tool Guide Set

PACK: Inner 1 Outer 1

## HEAD TUBE REAMING & FACE TOOL

Includes handles, four guides (29.8mm, 30.0mm, 33.8mm and 49.4mm), ACME shaft, centring cone, spring, thrust washer and quick release nut – everything but the facing and reaming cutters (to be purchased separately).

**07814**  
PACK: Inner 1 Outer 1

## CROWN RACE FACING TOOL

Crown Race Facing Tool without cutters. Body can be used with 1" or 1 1/8" steerers by use of a nylon collet. Works on both threaded and threadless steerers. Spring loaded for even cutting tension.

**07803**  
PACK: Inner 1 Outer 1

## CROWN RACE FACING TOOL FACERS

A workshop grade cutting tool to prepare and ensure a perfectly flat surface for headset crown races.

**07804** - (26.4mm)

**07805** - (27mm)

**07806** - (30mm)

**07807** - Facing Tool Recon Kit  
PACK: Inner 1 Outer 1

## CROWN RACE SETTING TOOL

Hollowtech II/Campag Ultratorque bearing setting tool body.  
• Requires a suitable adaptor (see 07714, 07715)  
• Made of soft alloy to prevent damage

**07713**  
PACK: Inner 1 Outer 1

**07714** - Adaptor (1")  
PACK: Inner 1 Outer 1

**07715** - Adaptor (1 1/8")  
PACK: Inner 1 Outer 1

## CROWN RACE SETTING TOOL WITH TAPER ADAPTOR

The perfect partner for Crown Race setting tool 07713 (used with adaptors 07714 for 1" &/or 07715 for 1 1/8").

• Made from high quality carbon steel  
• Includes adaptor guide for 1.5" tapered forks

**07716** - (1.5") With Taper Adaptor  
PACK: Inner 1 Outer 1

## WHEEL TRUING STAND

Autodishing, advanced geometrical design for more precise but easy wheel truing. For use with wheels up to 29" and tyre.

Gauge kit sold separately.

**07903**  
PACK: Inner 1 Outer 1

**07904** - Gauge Kit including DTI  
PACK: Inner 1 Outer 1

## WHEEL DISHING TOOL

- Suitable for wheel sizes 16" to 29"
- Adjustable for wheel diameter
- Box section is strong and lightweight

## TYRE REMOVAL & FITTING TOOL

Fits and removes tyres rapidly for workshop use.

## WHEEL JIG AXLE CLAMP

Suitable for mountain bikes with 20mm through axle hubs.

- For use with Wheel Truing Stand

**07907**

PACK: Inner 1 Outer 1

## BOTTOM BRACKET THREADING TOOL

Includes two main handle bodies and inner and outer alignment shafts. Taps are available separately.

**07720**

PACK: Inner 1 Outer 1

## BOTTOM BRACKET TAPS

Hardened steel taps for preparing bottom bracket shell threads and chasing through existing/damaged threads.

**07910**

PACK: Inner 1 Outer 1

## DIE

Cuts and chases thread onto the steerer tubes of forks.

**07858** - Wrench for 1" & 1 1/8" Die

PACK: Inner 1 Outer 1

**07842** - Die 1"

PACK: Inner 1 Outer 1

**07843** - Die 1 1/8"

PACK: Inner 1 Outer 1

**07825**

PACK: Inner 1 Outer 1

## TUBE CUTTING GUIDE

A handy saw guide which clamps easily into a vice to assist with neat cutting of fork steerers, seat posts and handlebars.

**07826** - (English 1 x LH / 1 x RH)

PACK: Inner 1 Outer 1

**07827** - (Italian 2 x RH)

PACK: Inner 1 Outer 1

## TAP WRENCHES

Quality heavy duty holders for use with corresponding Cyclo taps. (not included)

**07860** - Tap M10x1 Wrench

**07861** - Pedal Tap 1/2" Wrench

**07862** - Pedal Tap 9/16" Wrench

**07857** - Adjustable Reamer Wrench

PACK: Inner 1 Outer 1

## ADJUSTABLE SEAT TUBE REAMERS

Useful reaming tools for removing and smoothing out damaging burrs from the inside of seat tubes.

**07830** - (23 - 26mm)

PACK: Inner 1 Outer 1

**07831** - (26 - 29.5mm)

PACK: Inner 1 Outer 1

**07832** - (29.5 - 33.5mm)

PACK: Inner 1 Outer 1

**07828**

PACK: Inner 1 Outer 1

**07829** - Replacement Inserts

PACK: Inner 1 Outer 1

## SEAT POST SIZING GAUGE

Handy workshop gauges to quickly and accurately determine the required diameter seat post for frame fitment.

**07913**  
PACK: Inner 1 Outer 1

## HEAD CUP REMOVAL TOOL

Workshop quality drifts which allows equal and even force to be applied to the inner lip of headset cups to remove them without damage.

**07707** - (1" - 1 1/4")  
PACK: Inner 1 Outer 1

**07708** - (1 1/4" - 1.5")  
PACK: Inner 1 Outer 1

## AXLE VICE

For holding hub axles and pedal spindle.

- Enables working on hubs or pedals without damaging threads
- Suitable for 9mm to 14mm
- Aluminium prevents thread damage

**07908**  
PACK: Inner 1 Outer 1

## GEAR HANGER ALIGNMENT TOOL

An essential tool for checking and straightening derailleur dropouts and hangers. Critical for correct gear indexing, this tool quickly and accurately checks for perfect vertical and lateral positioning.

**07905**  
PACK: Inner 1 Outer 1

## PEDAL TAPS

Handy workshop grade taps to clean or re-tap pedal threads.

**07854** - (9/16") 1 x LH / 1 x RH  
PACK: Inner 1 Outer 1

**07855** - (1/12") 1 x LH / 1 x RH  
PACK: Inner 1 Outer 1

**07856** - Tap M10 x 1  
PACK: Inner 1 Outer 1

## CAMPAGNOLO CASSETTE LOCKRING & BOTTOM BRACKET CARTRIDGE REMOVER

Star Fangled Nut setting tool for inside the steerer tube.

- Suitable for 1" and 1 1/8" without additional adaptors
- Includes a replacement pin (also sold separately)

**07721**  
PACK: Inner 1 Outer 1

**07722** - Spare Pin (x4)  
PACK: Inner 1 Outer 1

## DROP OUT ALIGNMENT TOOL

Measures and realigns front and rear dropouts.

- Long heavy duty handles for maximum leverage
- Nickel plated steel suitable for 100mm to 135mm fork and frame widths
- Sequential shim sizes for quick accurate resizing without the necessity to disassemble the tool thus preventing loss or breakage of shims

**04002**  
PACK: Inner 100 Outer 100

## Y WRENCH

ALLEN KEY  
(4mm/5mm/T25)

Professional Y Wrench made from industrial steel and a comfortable dual moulded grip. This tool fits most of the bolts on a bike, 4mm Hex, 5mm Hex and T25 torx, making it ideal for workshops, shop floors, demo days and for taking out on the bike.

**06331** - (4mm / 5mm / T25)

PACK: Inner 1 Outer 10

## Y WRENCH ALLEN KEYS

Nickel plated Allen keys firmly fixed into a comfortable dual moulded grip. Ideal for all cyclists.

**06310** - (4mm / 5mm / 6mm)

PACK: Inner 1 Outer 10

- (2mm / 2.5mm / 3mm)

PACK: Inner 1 Outer 10

**06319** - Ball ended (4mm / 5mm / 6mm)

PACK: Inner 1 Outer 10

## Y TORX WRENCHES

Nickel plated torx keys fixed into a comfortable dual moulded grip. Torx bolts are often found on mid-high end components.

**06322**- (T10 / T15 / T20)

PACK: Inner 1 Outer 10

**06323** - (T25 / T30 / T40)

PACK: Inner 1 Outer 10

## 20 FUNCTION MULTI TOOL

A comprehensive tool kit for emergency trail or road side fixes packed into an ergonomic, lightweight design.

### Includes:

- Spoke Keys - 3.23 / 3.3 / 3.45 / 3.96
- Hex Keys - 2 / 2.5 / 3 / 4 / 5 / 6 / 8mm
- Torx Keys - T10 / T15 / T25 / T30
- Chain Breaker and Chain Hook
- Emergency Puncture Repair Kit and Tyre Levers
- Pedal Spanner and Phillips Screwdriver

**06350**

PACK: Inner 1 Outer 10

## DELUXE MULTI TOOL

Chrome vanadium steel multi tool for riders who demand more from their multi tool. Includes spoke keys, 8, 9 and 10mm spanner's, 2,4,5 & 6mm hex keys and flat and phillips screwdrivers.

**06321**

PACK: Inner 1 Outer 10

## MULTI TOOL

Our entry level ergonomic multi tool made of chrome vanadium steel. Includes 2, 3, 4, 5 and 6mm hex and flat and phillips screwdrivers.

**06320**

PACK: Inner 1 Outer 10

## Y SOCKET WRENCHES

Comfortable dual moulded Y wrench with six nickel plated socket sizes (8, 9, 10, 13, 14 & 15mm) included in the three tips.

## BALL END HEX KEY WRENCH SET

Workshop quality hex set made from chrome vanadium. Includes 2, 2.5, 3, 4, 5, 6, 8 & 10mm hex heads, the opposite ends are ball ended for angled entry. The holder is designed to form a T-Bar handle for increased application of force and ease of maintenance.

## HEX KEY RING WRENCH SET

Portable, hardened and tempered hex key set created for workshops and riders alike. Includes 2, 2.5, 3, 4, 5, 6, 8 & 10mm hex keys.

**06306**  
PACK: Inner 1 Outer 10

## CHAIN WEAR INDICATOR

Use between applications of Weldtite lubes to identify life span of your chain. Indicates 0.75% wear, which signifies it's time to consider a new chain or 1% wear where a new chain is required to ensure drivetrain efficiency. Suitable for all chains.

**06301**  
PACK: Inner 1 Outer 10

## 1-12 SPEED CHAIN TOOL WITH CRANK HOOK

Strong and durable chain pin removal tool suitable for use with a wide range of bike chains from BMX to 12 speed.

- 1/8", 3/16" & 3/32" chain compatible
- Storage for quick link, chain hook and spare pin
- Replaceable hardened steel pin
- Includes lugs to loosen tight links

**06302**  
PACK: Inner 1 Outer 10

## UNIVERSAL CHAIN TOOL

Easily break and re-join all sizes of bicycle chain.

- Suitable for 1 – 12 speed chains
- Lugs for loosening tight links
- Hardened pin for durability

**07902**  
PACK: Inner 1 Outer 1

## METAL TYRE LEVERS

Chrome plated rounded metal tyre levers which provide extra strength when fitting tough tyres.

**06004** - (x10)  
PACK: Inner 50 Outer 400

**06014** - (x3) Carded  
PACK: Inner 25 Outer 25

**06313**  
PACK: Inner 10 Outer 10

## EZYTECH TYRE LEVERS

Compact, ergonomic tyre levers suitable for a wide range of rims. These levers are made using a lightweight polymer are incredibly durable and are slip tipped for tight beads with two-way spoke hooks and in-built deflator.

**06032** - (x30) Display jar  
PACK: Inner 1 Jar Outer 10 Jars

**06022** - (x3) Carded  
PACK: Inner 25 Outer 25

**06314**  
PACK: Inner 10 Outer 200

## GLASS NYLON TYRE LEVERS

Tyre levers made in the UK and reinforced with glass nylon fibre for long lasting strength and performance. Available in black and bright yellow, making them easy to pick out of your pack or bag.

**06024** - Black (x30)  
**06045** - Yellow (x30)  
PACK: Inner 1 Box Outer 10 Boxes

**06034** - Black (x3) Carded  
**06044** - Yellow (x3) Carded  
PACK: Inner 25 Outer 25

## FORGED PEDAL SPANNER

Innovative and strong forged 15mm pedal spanner offset at each end with soft plastic inserts designed to protect your frame and cranks. Extra length for leverage making light work of removing pedals.

**06371** - (15 / 15mm)  
PACK: Inner 1 Outer 10

## 15mm PEDAL SPANNER

High quality 15mm steel pedal spanner with cushioned handle for increased application of torque.

**06382** - (15mm)  
PACK: Inner 1 Outer 10

## CONE SPANNER

Strong but lightweight (2mm thick) double ended spanner's made of spring steel.

**06370** - (13 / 14mm & 15 / 17mm)  
PACK: Inner 1 Outer 10

## DUMBELL SPANNER

A traditional 10 in 1 cycle spanner with chrome plated design and reinforced extra strong 'H' section shaft for durability. A great tool to take with you out on the road or on the trails. Includes 6-15mm sizes.

**06001**  
PACK: Inner 10 Outer 10

**06303** - Carded  
PACK: Inner 10 Outer 10

## LOCK RING SPANNER

Expertly made to ensure the highest quality, robust and reliable lock ring spanner. CNC laser cut for absolute accuracy and made of hardened and tempered steel for maximum strength and durability.

**06362** - BB cup / 24mm locking spanner  
PACK: Inner 1 Outer 5

**06363** - 32mm head nut & locking spanner  
PACK: Inner 1 Outer 5

## CASSETTE REMOVAL TOOLS

Designed to be used with Cyclo Lockring Removers for easy cassette removal and installation.

**07710** - Cassette locking tool  
(Shimano - HG)  
PACK: Inner 1 Outer 1

**07711** - Cassette locking tool  
(Campag)  
PACK: Inner 1 Outer 1

**07712** - Cassette locking tool  
(Pin guide)  
PACK: Inner 1 Outer 1

**06394** - Freewheel & BB remover  
(Campag fit)  
PACK: Inner 1 Outer 20

**06395** - Cassette locking  
remover (Shimano fit - HG)  
PACK: Inner 1 Outer 20

## BALL BEARINGS & CAGES

A range of top quality bearings, supplied with and without TF2 Lithium Grease.

- Case hardened
- Tested and approved to grade 1000 performance
- Also used in top end original equipment applications
- Quality assured

**06151** - 1/8" Ball Bearings (20 bags x 72 balls = 1 card)  
PACK: Inner 1 Outer 25

**06152** - 5/32" Ball Bearings (20 bags x 54 balls = 1 card)  
PACK: Inner 1 Outer 20

**06153** - 3/16" Ball Bearings (20 bags x 36 balls = 1 card)  
PACK: Inner 1 Outer 20

**06154** - 7/32" Ball Bearings (20 bags x 24 balls = 1 card)  
PACK: Inner 1 Outer 20

**06155** - 1/4" Ball Bearings (20 bags x 24 balls = 1 card)  
PACK: Inner 1 Outer 20

**06162** - 5/32" Head Race Ball Cages (20 pairs = 1 card)  
PACK: Inner 1 Outer 15

**06163** - 3/16" ATB/BMX Head Race Ball Cages (20 pairs = 1 card)  
PACK: Inner 1 Outer 15

**06165** - 1/4" Bottom Bracket Ball Cages (20 pairs = 1 card)  
PACK: Inner 1 Outer 10

### STANDARD AXLES

Top quality steel axles, available with and without hub cages and TF2 Lithium Grease.

**08310** - 9.5x175mm Std Axle + Grease & Hub Cage

**08330** - 9.5x175mm Std Axle  
PACK: Inner 10 Outer 10

**06116** - 5/16" ATB/BMX B/B Ball Race Cages (10 pairs = 1 card)  
PACK: Inner 1 Outer 20

**06166** - 3/16" Front Hub Ball Cages (20 pairs = 1 card)  
PACK: Inner 1 Outer 20

**06167** - 1/4" Rear Hub Ball Cages (20 pairs = 1 card)  
PACK: Inner 1 Outer 20

**06168** - 5/32" x 22'B' Ball Cages (20 pairs = 1 card)  
PACK: Inner 1 Outer 20

**06169** - 5/32" x 22'A' Ball Cages (20 pairs = 1 card)  
PACK: Inner 1 Outer 20

**06141** - 1/8" Ball Bearings (1000)  
PACK: Inner 1 Outer 1

**06142** - 5/32" Ball Bearings (750)  
PACK: Inner 1 Outer 1

**06143** - 3/16" Ball Bearings (500)  
PACK: Inner 1 Outer 1

**06144** - 7/32" Ball Bearings (325)  
PACK: Inner 1 Outer 1

**06145** - 1/4" Ball Bearings (200)  
PACK: Inner 1 Outer 1

**06171** - 1/8" Ball Bearings & Grease (72 balls)  
PACK: Inner 20 Outer 20

### HOLLOW QUICK RELEASE AXLES

Quality QR axles available in all popular sizes, available with and without hub cages and TF2 Lithium Grease.

**08316** - 9x108mm Hollow QR Axle + Grease & Hub Cage

**08317** - 10x135mm Hollow QR Axle + Grease & Hub Cage

**08318** - 10x140mm Hollow QR Axle + Grease & Hub Cage

**08319** - 10x145mm Hollow QR Axle + Grease & Hub Cage

**08336** - 9x108mm Hollow QR Axle

**08337** - 10x135mm Hollow QR Axle

**08338** - 10x140mm Hollow QR Axle

**08339** - 10x145mm Hollow QR Axle

**08350** - Quick Release Skewers  
PACK: Inner 10 Outer 10

**06172** - 5/32" Ball Bearings & Grease (54 balls)  
PACK: Inner 20 Outer 20

**06173** - 3/16" Ball Bearings & Grease (36 balls)  
PACK: Inner 20 Outer 20

**06174** - 7/32" Ball Bearings & Grease (24 balls)  
PACK: Inner 20 Outer 20

**06175** - 1/4" Ball Bearings & Grease (24 balls)  
PACK: Inner 20 Outer 20

**06177** - 5/32" Head Race Ball Cages (2) & Grease  
PACK: Inner 20 Outer 20

**06178** - 3/16" ATB/BMX Head Race Ball Cages (2) & Grease  
PACK: Inner 20 Outer 20

**06179** - 1/4" Bottom Bracket Ball Cages (2) & Grease  
PACK: Inner 20 Outer 20

**06180** - 5/16" ATB/BMX B/B Ball Race Cages (2) & Grease  
PACK: Inner 20 Outer 20

**06181** - 3/16" Front Hub Ball Cages (2) & Grease  
PACK: Inner 20 Outer 20

**06182** - 1/4" Rear Hub Ball Cages (2) & Grease  
PACK: Inner 20 Outer 20

### CHROME MOLY AXLES

Superior quality chrome moly axle suitable for front and rear hubs and available in a variety of sizes, supplied with or without hub cages and TF2 Lithium Grease. Controlled specification ensuring longer life.

**08311** - 9x140mm CM Axle + Grease & Hub Cage

**08312** - 9.5x175mm CM Axle + Grease & Hub Cage

**08314** - 10x145mm CM Axle + Grease & Hub Cage

**08315** - 10x175mm CM Axle + Grease & Hub Cage

**08331** - 9x140mm CM Axle

**08332** - 9.5x175mm CM Axle

**08334** - 10x145mm CM Axle

**08335** - 10x175mm CM Axle  
PACK: Inner 10 Outer 10
